- \* Prices in euro are obliged for all countries in Europe
- \* Prices including SAS Visual Analytics License Fee
- \* Prices excluding VAT in the Netherlands

**Addition storage**

In every SaaSNow environment includes 150, 300 or 600 GB storage. The price of additional storage is €0,50 (\$0,50) per GB per month.

**Datacenters**

The SaaSNow environments are hosted in Amsio Datacenters. The primary locations are located at Amsterdam and Schiphol-Rijk in The Netherlands. However, SaaSNow can also be delivered out of datacenters all over the world.

**License & infrastructure**

The prices include licenses and hosting infrastructure. The customer can start using SAS Visual Analytics as soon as the SaaSNow environment is delivered. Visual Statistics is an extra option on top of Visual Analytics.

**Capacity**

This table gives an indication of the user capacity for the SaaSNow environments:

VA 4	VA 8	VA 16
1-2 heavy users (analysts)	2-3 heavy users (analysts)	3-5 heavy users (analysts)
5 report builders (authors)	10 report builders (authors)	20 report builders (authors)
25 report readers (viewers)	50 report readers (viewers)	100 report readers (viewers)
